# Name, Formation and History of the Funds

## Introduction

This annual information form contains information concerning the following mutual funds:

Pender Canadian Opportunities Fund

Pender Corporate Bond Fund

Pender North American Small Cap Fund

Pender Small Cap Opportunities Fund

Pender Strategic Growth and Income Fund

Pender US All Cap Equity Fund

Pender Value Fund

(each, a “Fund”, and collectively, the “Funds”).

Each of the Funds is managed by PenderFund Capital Management Ltd. (“Pender” or the “Manager”). The Manager may start other mutual funds, investment funds or venture funds in the future.

To make this document easier to read and understand, we have used personal pronouns throughout much of the text. References to “**Pender**”, the “**Manager**”, “**our**”, “**we**” or “**us**” generally refer to Pender in its capacity as Manager of the Funds. References to “**you**” are directed to the reader as a potential or actual investor in the Funds. References to “**Dealer**” refer to both the dealer and the registered representative in your jurisdiction who advises you on your investment.

## Head Office

The head office of the Funds and the Manager is located at 1640 – 1066 West Hastings St., Vancouver, BC V6E 3X1.

## Formation and History of the Funds

Each of the Funds is an open-end investment trust governed under the laws of the Province of British Columbia pursuant to the Tenth Amended and Restated Mutual Fund Trust Agreement dated May 22, 2018 (originally dated May 26, 2009) (the “Trust Agreement”) between Pender, in its capacity as Manager of the Funds, and Pender, in its capacity as trustee of the Funds. Pender Corporate Bond Fund and Pender Small Cap Opportunities Fund were formed on May 26, 2009. The amendments to the Trust Agreement on October 18, 2010 were made to create the Pender Strategic Growth and Income Fund and Pender Canadian Opportunities Fund and to address administrative matters. The amendments to the Trust Agreement on March 20, 2012 were made to reflect the change of trustee of the Funds to Pender. The amendments to the Trust Agreement on June 27, 2013 were made to create the Pender US All Cap Equity Fund and Pender Value Fund. The amendments to the Trust Agreement on August 13, 2013 and June 18, 2014 were made to add additional classes to the Funds. The amendments to the Trust Agreement on May 22, 2015 were made to add additional classes to the Funds and amend the investment objective of the Pender Canadian Opportunities Fund. The amendments to the Trust Agreement on September 9, 2015 were made to change the name of the Pender Balanced Fund to Pender Strategic Growth and Income Fund and to change the name of Pender Canadian Equity Fund to Pender Canadian Opportunities Fund. The amendments to the Trust Agreement on May 20, 2016 were made to add additional classes to the Pender Canadian Opportunities Fund. The amendments to the Trust Agreement on April 27, 2017 were made to add additional classes to the Pender

Small Cap Opportunities Fund and the Pender Strategic Growth and Income Fund. On April 28, 2017, with consent from the independent review committee, the Pender Small Cap Opportunities Fund acquired all of the assets of Pender Small Cap Equity Fund. Pender Small Cap Equity Fund was a pooled fund distributed pursuant to certain exemptions found in National Instrument 45-106 Prospectus Exemptions and was wound up on April 28, 2017. The amendments to the Trust Agreement on May 22, 2018 were made to add the Pender North American Small Cap Fund and to add additional classes to the Pender Small Cap Opportunities Fund.

The Trust Agreement may be examined by holders of units (“Unitholders”) of the Funds at the head office of the Manager during regular business hours. You can contact the Manager at 1-866-377-4743 or email [info@penderfund.com](mailto:info@penderfund.com) for more details. The Trust Agreement can also be found on the SEDAR website at [www.sedar.com](http://www.sedar.com).

On June 25, 2018, the Funds filed a simplified prospectus (the “Simplified Prospectus”) with the securities authorities in each of Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Québec, Saskatchewan, Northwest Territories, Nunavut, and Yukon Territory.

The Funds have entered into certain material contracts since formation, as set forth in the “Material Contracts” section of this annual information form.

## **Investment Restrictions and Practices**

### **National Instrument 81-102**

The Simplified Prospectus contains detailed descriptions of the investment objectives, investment strategies and the investment risks for each of the Funds. In addition, the Funds are subject to certain restrictions and practices contained in securities legislation, including *National Instrument 81-102 Investment Funds* (“NI 81-102”), which are designed, in part, to ensure that the investments of mutual funds are diversified and relatively liquid and to ensure the proper administration of the Funds. The Funds will be managed in accordance with these restrictions and practices. The Funds will obtain relief from the securities regulatory authorities before implementing any variations from these restrictions and practices.

On March 18, 2016, the Pender Corporate Bond Fund was granted an exemption from the restrictions found in subsections 2.5(2)(a) and (c) of NI 81-102 in order to permit it to invest in credit closed-end funds. Credit closed-end funds are non-redeemable investment funds whose securities are traded on a recognized exchange in Canada or the United States, are distributed in Canada or the United States, invest primarily in fixed income and, in respect of a Canadian credit closed-end fund, are subject to NI 81-102.

A copy of the investment restrictions and practices applicable to and adopted by the Funds may be obtained from the Manager upon request.

### **Change in Objectives and Strategies**

The fundamental investment objectives and the investment strategies of each Fund are set out in the Simplified Prospectus. The fundamental investment objectives of the Funds may only be changed with the approval of the Independent Review Committee and a simple majority of the unitholders of all classes of units of the Funds at a meeting called for that purpose. The Manager may change a Fund’s investment strategies from time to time at its discretion.

## Description of Securities of the Funds

### Classes of Units

The Funds are authorized to have an unlimited number of classes of units and may issue an unlimited number of units of each class. The following table lists the classes each Fund has created and authorized and each class it offers for purchase under the Simplified Prospectus:

Fund	Classes Authorized	Classes Offered for Purchase
Pender Canadian Opportunities Fund	A, D, F, H, I, O	A, D, F, H, I, O
Pender Corporate Bond Fund	A, A (US\$), D, F, F (US\$), H, I, O	A, A (US\$), D, F, F (US\$), H, I, O
Pender North American Small Cap Fund	A, D, F, H, I, O	A, D, F, H, I, O
Pender Small Cap Opportunities Fund	A, B, F, G, I, N, O	A, B, F, G, I, N, O
Pender Strategic Growth and Income Fund	A, D, F, H, I, O	A, D, F, H, I, O
Pender US All Cap Equity Fund	A, A (US\$), D, F, F (US\$), H, I, O	A, A (US\$), D, F, F (US\$), H, I, O
Pender Value Fund	A, D, F, H, I, O	A, D, F, H, I, O

Without your consent or notice to you, the Manager may establish additional classes of units of the Funds and may determine the rights as between those classes.

The principal differences between the classes of units of the Funds relate to the management fees payable to Pender. These are described under “*Dealer Compensation*” and under “*Fees and Expenses*” in the Simplified Prospectus.

All units of a Fund are entitled to participate in the Fund’s assets on liquidation on a class basis. All classes of units are issued as fully paid and non-assessable and are redeemable at their net asset value.

### Conversion and Switching

Units of the Funds have the conversion and switching rights described below under the heading “*Purchases, Switches and Changing Classes*”.

### Redemption Rights

Units of the Funds have the redemption rights described below under the heading “*Redemption of Securities*”.

### Distribution Rights

The Funds distribute their net investment income and capital gains according to the following table. Distributions on all units of the Funds will be automatically reinvested in additional units of the Fund, unless a payment in cash is requested. Reinvested distributions will be invested at the net asset value per unit of that class on the date of distribution.

Fund	Distribution frequency	
	Net investment income	Net capital gains
Pender Canadian Opportunities Fund	Annually	Annually
Pender Corporate Bond Fund	Monthly	Annually
Pender North American Small Cap Fund	Annually	Annually
Pender Small Cap Opportunities Fund	Annually	Annually
Pender Strategic Growth and Income Fund	Quarterly	Annually
Pender US All Cap Equity Fund	Annually	Annually
Pender Value Fund	Annually	Annually

## Voting Rights

You have the right to exercise one vote for each unit of a Fund held at meetings of Unitholders of the Fund and at any meetings of investors of that class. Pender is required to convene a meeting of a Fund to ask Unitholders to consider and approve, by not less than a majority of the votes cast at the meeting, certain material changes proposed for the Fund. Unitholders are permitted to vote on all matters that require Unitholder approval under *National Instrument 81-102 Investment Funds* or under the Trust Agreement. These matters include:

- a change in the basis of the calculation of a fee or expense charged to a Fund or a class by non-arm's length parties (such as the Manager), or charged to Unitholders by the Manager in connection with the holding of units of a Fund, if the change could result in an increase in charges to a Fund, a class or you;
- the introduction of a fee or expense charged to a Fund or a class by non-arm's length parties, or charged to Unitholders by the Manager in connection with the holding of units of a Fund;
- a change of the manager, unless the new manager is an affiliate of the Manager;
- a change in the fundamental investment objectives of a Fund;
- a decrease in the frequency of the calculation of the net asset value per unit of a Fund; and
- certain material reorganizations of a Fund.

You will receive notice in advance of any other significant proposed changes in a Fund in which you are a Unitholder, except for routine administrative or compliance changes that would not have an adverse monetary impact on your investment. Where the nature of the business to be transacted at a Unitholder meeting concerns an issue that is relevant only to the Unitholders of a particular class or classes, only Unitholders of those classes to which such business is relevant will be entitled to vote and such units will be voted separately as a class.

## Valuation of Securities and Calculation of Net Asset Value

As described in this annual information form under the headings "*Purchases, Switches and Changing Classes*" and "*Redemption of Securities*", units of a Fund may be purchased or redeemed at the price per unit of that Fund class as next determined after the receipt of a purchase order or a redemption order as the case may be.

The price per unit of the Funds will be the net asset value per unit of that class of units. The net asset value per unit of each class of unit of each Fund is determined on a daily or weekly basis, as the case may be, as indicated in the following table:

<b>Fund</b>	<b>Valuation Frequency</b>
Pender Canadian Opportunities Fund	Weekly
Pender Corporate Bond Fund	Daily
Pender North American Small Cap Fund	Weekly
Pender Small Cap Opportunities Fund	Weekly
Pender Strategic Growth and Income Fund	Daily
Pender US All Cap Equity Fund	Weekly
Pender Value Fund	Daily

Any Fund that is valued weekly will be valued daily once it engages in short-selling or specified derivatives as part of its investment strategy. The Fund is valued only on a day that the Toronto Stock Exchange (TSX) is open for trading or such other time as the Manager determines appropriate ("Valuation Date"). The Manager shall determine and calculate or cause to be determined and calculated the net asset value of a Fund on a particular Valuation Date on behalf of the Fund in accordance with the following principles:

- (a) the value of any cash on hand, on deposit or on call, prepaid expenses, cash dividends declared and interest accrued and not yet received, shall be deemed to be the face amount thereof, unless the Manager determines that any such deposit or call loan is not worth the face amount thereof, in which event the value thereof shall be deemed to be such value as the Manager determines to be the reasonable value thereof;
- (b) the value of any bonds, debentures, and other debt obligations shall be valued by taking the average of the bid and ask prices on a Valuation Date at such times as the Manager, in its discretion, deems appropriate. Short-term investments including notes and money market instruments shall be held at amortized cost, which approximates fair value;
- (c) the value of any security, index futures or index options thereon which is listed on any recognized exchange shall be determined by the last traded price on the Valuation Date or, if the last traded price is not available, the average between the closing bid and asked quotations on the Valuation Date, all as reported by any report in common use or authorized as official by a recognized stock exchange; provided that if such stock exchange is not open for trading on that date, then on the last previous date on which such stock exchange was open for trading;
- (d) the value of any mutual funds ("Underlying Funds") held by the Funds will be valued at their respective net asset values on each Valuation Date. The Underlying Funds calculate their respective net asset values on the same basis as the Funds;
- (e) the value of any security or other asset for which a market quotation is not readily available shall be its fair market value as determined by the Manager using a valuation technique that requires the use of inputs and assumptions based on observable market data;
- (f) the value of any security, the resale of which is restricted or limited, shall be the lesser of the value thereof based on reported quotations in common use and that percentage of the market value of securities of the same class, the trading of which is not restricted or limited by reason of any representation, undertaking or agreement or by law, equal to the percentage that a Fund's acquisition

- cost was of the market value of such securities at the time of acquisition; provided that a gradual taking into account of the actual value of the securities may be made where the date on which the restriction will be lifted is known;
- (g) purchased or written clearing corporation options, options on futures, over-the-counter options, debt-like securities and listed warrants shall be valued at the current market value thereof;
  - (h) where a covered clearing corporation option, option on futures or over-the-counter option is written, the premium received by a Fund shall be reflected as a deferred credit which shall be valued at an amount equal to the current market value of the clearing corporation option, option on futures or over-the-counter option that would have the effect of closing the position. Any difference resulting from revaluation of such options shall be treated as an unrealized gain or loss on investment. The deferred credit shall be deducted in arriving at the net asset value of a Fund. The securities, if any, which are the subject of a written clearing corporation option, or over-the-counter option shall be valued at their then current market value;
  - (i) the value of a futures contract, or a forward contract, shall be the gain or loss with respect thereto that would be realized if, on the Valuation Date, the position in the futures contract, or the forward contract, as the case may be, were to be closed out unless daily limits are in effect in which case fair value shall be based on the current market value of the underlying interest;
  - (j) margin paid or deposited in respect of futures contracts and forward contracts shall be reflected as an account receivable and margin consisting of assets other than cash shall be noted as held as margin;
  - (k) all property of a Fund valued in a foreign currency and all liabilities and obligations of a Fund payable by a Fund in foreign currency shall be converted into Canadian funds by applying the rate of exchange obtained from the best available sources to the Manager, including, but not limited to, the Manager or any of its affiliates; and
  - (l) all expenses or liabilities (including fees payable to the Manager) of a Fund shall be calculated on an accrual basis.

The value of any security or property to which, in the opinion of the Manager, the above principles cannot be applied (whether because no price or yield equivalent quotations are available as above provided, or for any other reason) shall be the fair value thereof determined in good faith in such manner as the Manager from time to time adopts. The value of assets and liabilities of the Funds established by the Manager in accordance with these rules shall be conclusive and binding on all Unitholders. Where the Manager is provided with a value, quotation, estimate or other information related to the value of any property of a Fund by a third party (collectively "Third Party Data"), the Manager may rely on such Third Party Data and shall have no responsibility or liability, whatsoever, for any loss or damage arising out of or in connection with the Manager's reliance on such Third Party Data.

Pursuant to the Notice of Amendment to *National Instrument 81-106 Investment Fund Continuous Disclosure* ("NI 81-106"), investment funds calculate their net asset value using fair value (as defined therein) for the purposes of unitholder transactions. The Manager has established policies to determine the fair value of the securities held by the Fund in accordance with NI 81-106 and such policies have been approved by the Board of Directors of the Manager of the Fund.

The net asset value and net asset value per unit for each Fund is published by various media outlets on each Valuation Date. You can also obtain this information, at no cost to you, by contacting the Manager at **1-866-377-4743** or email **info@penderfund.com**. This information is also available on our website at [www.penderfund.com](http://www.penderfund.com).

## Purchases, Switches and Changing Classes

### Purchases

You may only buy Class A, Class A (US\$), Class B and Class H units via the front-end load sales charge method. Class A (US\$) units are denominated in US dollars.

There is no sales charge on the purchase or redemption of Class D, Class N or Class O units.

Class F, Class F (US\$), Class G and Class I units can be purchased only through your investment advisor who has obtained the consent of Pender to offer these classes of units. There are no sales charges on the purchase or redemption of Class F, Class F (US\$), Class G and Class I units. Class F (US\$) units are denominated in US dollars.

Units of the Funds are distributed by authorized registered Dealers. You may purchase units by sending the purchase amount to your Dealer. The price of a unit of a Fund is the applicable net asset value per unit next determined after receipt by the Fund of an order to purchase together with the front-end sales charge, if any. The price per unit of the Funds will be the net asset value per unit of that class of units. On the same day your order is received, your Dealer will forward the order to the Manager's head office by courier, priority post or telecommunications facility without cost to you. Certificates will not be issued for units purchased.

Class A (US\$) and Class F (US\$) units of the Pender Corporate Bond Fund hedges against changes in the US currency relative to the Canadian currency and in doing so attempts to eliminate the impact of fluctuations between the Canadian and US currencies such that the performance of these units is expected to be similar to that of the performance of the Class A and Class F units denominated in Canadian dollars. However, there may be factors beyond the fund's control such as derivative transaction costs that may cause there to be differences in the performance of such classes. As such, these units are intended for investors who wish to purchase the Pender Corporate Bond Fund in US currency but wish to minimize the impact of fluctuations in value of the Canadian and US currencies. These classes will be substantially hedged using derivative instruments such as foreign currency forward contracts although there may be circumstances, from time to time, in which the fund may not be able to fully hedge its Canadian dollars exposure back to US dollars in respect of these classes.

Your initial investment in any class of units, other than Class H, Class I, Class N and Class O units of the Funds, must be at least \$5,000. After your initial investment, you can make further investments of at least \$100 per investment. With respect to Class H and Class I units, your initial investment must be at least \$100,000 and your subsequent purchases must be a minimum of \$1,000. With respect to Class N and Class O units, minimum initial investment amounts are to be negotiated between the Unitholder and the Manager. We will determine, and from time to time may change, the minimum amounts for initial and subsequent investments in any class.

If we do not receive payment within three business days of processing your purchase order for units of a Fund, we must redeem your units on the next business day. If the proceeds are greater than the payment you owe, the Fund will keep the difference. If the proceeds are less than the payment you owe, we will pay the difference to the Fund on your behalf and collect this amount from your Dealer who may collect the amount from you.

We may reject your purchase order within one business day of receiving it. Any monies sent with your order will be returned immediately without interest.

### Changing Classes

You may change between classes of the same Fund if you are an eligible investor for the class of units into which you are changing. See *"Purchases, Switches and Redemptions"* in the Simplified Prospectus. In order to complete a change of units of one class for units of another class, you must provide instructions to your Dealer who will then coordinate with us to effect the change.

If you cease to be eligible to hold units of a particular class, we may change your units into a different class after giving you 30 days' prior notice, unless you notify us during the notice period and we agree that you are once again eligible to hold that class of units. Your Dealer may charge you a fee for changing classes.

## Switches

You may redeem all or a portion of your units of one Fund to buy units of another Fund, as long as you meet the minimum initial investment. This is called a "switch". In order to complete a switch, you must provide instructions to your Dealer who will then coordinate with us to effect the switch. Depending on the class of units, the purchase option you are switching from and to, and the length of time you have owned the units, your switch will affect the fees you pay and the compensation your Dealer receives, including the following:

- A short-term trading fee may apply if the units are switched within 30 days from the date of purchase. See "*Fees and Expenses*" in the Simplified Prospectus.
- Your Dealer may charge you a fee for doing a switch. See "*Fees and Expenses*" in the Simplified Prospectus.
- Depending on the Fund, class of unit and purchase option you switch between, your Dealer may be paid a higher or lower trailing commission. See "*Dealer Compensation*" in the Simplified Prospectus.

When we receive your order to switch, we will redeem your units in the original Fund and use the proceeds to buy units of the same class of the other Fund.

## Redemptions

You can redeem your units for cash at any time, subject to the Manager's right to suspend redemptions in the circumstances described below. Your Dealer will forward your redemption order to us on the same day the Dealer receives it from you.

The Fund will redeem units for the redemption price, which is equal to the total of the net asset value per unit of that class as at the end of the Valuation Date which falls on or occurs immediately after the date on which a fully completed redemption request is received by the Fund (with any redemption request received after 4:00 p.m. ET on a Valuation Date being deemed, for such purpose, to be received on the following Valuation Date).

If you originally purchased units of the Pender Corporate Bond Fund or Pender US All Cap Equity Fund in US dollars, we will pay you in US dollars. Redemptions of all remaining Funds will be paid in Canadian dollars.

For wire order redemptions, if we do not receive all the documentation we need from you to complete the redemption order within ten business days, we must repurchase your units. If the repurchase price is less than the redemption price for the units, the Fund keeps the difference. If the repurchase price is greater than the redemption price for the units, your Dealer will be responsible for paying this difference and the associated costs. Your Dealer may require you to reimburse the amount paid. If at any time you request a partial redemption of your units so that the aggregate net asset value of your units of a Fund would be less than \$5,000, we may require that all such units of the Fund be redeemed after we provide you with at least 30 days' written notice.

Your Dealer may make provisions in the arrangements that it has with you that will require you to compensate the Dealer for any losses suffered by the Dealer in connection with any failure by you to satisfy the requirements of a Fund or securities legislation for a redemption of units of a Fund. You should consult with your Dealer regarding any such provisions.

Under certain circumstances, your right to redeem may be suspended in accordance with securities legislation. For example, your right to redeem units of a Fund may be suspended if trading is suspended on stock exchanges on which over 50% of the investments of the Fund trade. We may also suspend your right to

redeem units of a Fund – with the consent of applicable securities regulatory authorities – if we cannot determine the value of the net assets of the Fund or underlying investments are illiquid.

## **Pre-Authorized Chequing Plans (PAC)**

You can purchase units of a Fund by making regular investments through a PAC.

Your initial investment in any class of units, other than Class H, Class I, and Class O units of the Funds, must be at least \$5,000. With respect to Class H and Class I units, your initial investment must be at least \$100,000.

After your initial investment, you can make further investments via a PAC on a regular basis of at least \$100 per investment.

We will determine, and from time to time may change, the minimum amounts for initial and subsequent investments in any class. You can invest semi-monthly, monthly, quarterly, semi-annually or annually. We may stop your PAC if a payment is not made when due. We may change or discontinue this service at any time.

You will not have a withdrawal right for purchases under a PAC, other than the initial purchase or sale, but you will have the rights described under section “*What are your Legal Rights?*” in Part A of the Simplified Prospectus for any misrepresentation about the Funds contained in the Simplified Prospectus, annual information form, fund facts sheets or financial statements.

## **Short-Term Trading**

If you redeem units of a Fund within 30 days of buying them, we may reduce the amount otherwise payable to you on the redemption by imposing a short-term trading fee to be retained by the Fund. See “*Fees and Expenses*” in the Simplified Prospectus. We may also restrict purchases if you engage in such short-term trading.

## **Responsibility for Fund Operations**

### **Manager**

PenderFund Capital Management Ltd. is the manager of the Funds. The Manager’s address is 1640 – 1066 West Hastings St., Vancouver, BC V6E 3X1. Additional information about the Manager and the Funds can be obtained from the Manager’s website at [www.penderfund.com](http://www.penderfund.com) or by contacting the Manager at **1-866-377-4743** or [info@penderfund.com](mailto:info@penderfund.com).

The Manager was incorporated under the *Company Act* (British Columbia) (replaced by the *Business Corporations Act* (British Columbia)) on November 18, 2002 under the name 658761 B.C. Ltd. The Manager changed its name to PenderFund Capital Management Ltd. in April 2003.

For information about the ownership of the Manager and its affiliates, see “*Conflicts of Interest*” regarding the principal holders of units. Under the Trust Agreement of the Funds, the Manager is responsible for the management and administration of the Funds. The Manager furnishes or arranges for the furnishing of the office space and facilities, computer equipment and software, clerical help, bookkeeping and internal accounting services required by the Funds. Registry and transfer agency services and all Unitholder servicing requirements are also arranged by the Manager.

*Kelly Edmison, Director and Chairman of the Board of Directors*

Mr. Edmison has been active in the Vancouver investment community for over 25 years. A graduate of the University of Toronto and Queen's University, Mr. Edmison practiced law for over 20 years. Mr. Edmison spent his early career in Calgary and Hong Kong before joining Ladner Downs (now Borden Ladner Gervais) in 1985 where he practiced securities and commercial law until 1995. Mr. Edmison then established his own practice focused exclusively on representing Vancouver based junior technology companies. Mr. Edmison has since

ceased to practice law. Mr. Edmison founded the Manager in 2003 and is currently a shareholder, director and Chairman of the Board of Directors of the Manager. Mr. Edmison has been a director of a number of other public and private technology companies and is currently a director of BSM Technologies Inc. (previously, BSM Wireless).

*David Barr, President, Chief Executive Officer and Director*

Mr. Barr joined the Manager as an Investment Manager in 2003 and was appointed Chief Financial Officer on November 26, 2005 and Corporate Secretary on November 8, 2006. Mr. Barr served as Chief Financial Officer until April 2009 and was appointed Chief Investment Officer of the Manager in April 2009. Mr. Barr was appointed President and Chief Executive Officer of the Manager in April 2016. He is the portfolio manager of a number of investment funds also managed by the Manager. Mr. Barr is also a director and shareholder of the Manager. Previously, Mr. Barr worked as a consultant to emerging technology companies assisting the companies in development of strategic and financing plans. Mr. Barr holds a Bachelor of Science Degree from the University of British Columbia and a Masters of Business Administration from Schulich School of Business at York University. Mr. Barr is a CFA charterholder and a member of the CFA Institute. Mr. Barr is a registered Investment Counsel/Portfolio Manager with the British Columbia Securities Commission and a past president of CFA Vancouver.

*Gina Jones, Chief Operating Officer, Chief Compliance Officer and Chief Financial Officer*

Gina Jones joined the Manager as Chief Operating Officer in June 2017 and assumed the role of Chief Compliance Officer in July 2017. In June 2018 she surrendered the title of Chief Operating Officer and assumed the role of Chief Financial Officer and Corporate Secretary. Previously, Ms. Jones was the Chief Operating Officer and Chief Financial Officer of Salman Partners Inc., an independent brokerage firm in Vancouver, and also Chief Financial Officer of its subsidiary, Salman Partners (USA) Inc. Prior to that, Ms. Jones was CFO at two Vancouver investment dealers, Woodstone Capital Inc. and Golden Capital Securities Inc.

Ms. Jones holds a Bachelor of Commerce degree from UBC, articulated with PricewaterhouseCoopers LLP, and is a CPA, CA and CF, a Chartered Professional Accountant with Corporate Finance specialty designation, and holds an ICD.D designation from the Institute of Corporate Directors.

*Felix Narhi, Chief Investment Officer and Director*

Mr. Narhi is the portfolio manager of the Pender US All Cap Equity Fund and Pender Strategic Growth and Income Fund, and co-manager of the Pender Value Fund. Mr. Narhi was appointed Co-Chief Investment Officer in April 2016 until April 2017, when he was appointed Chief Investment Officer. Prior to joining Pender in July 2013, Mr. Narhi spent nine years at Odium Brown Limited, an independent and value-oriented investment firm in Vancouver. As a Director and Senior Equity Analyst, Mr. Narhi contributed thought leadership and primarily US investment equity ideas to the company's Model Portfolio, a concentrated equity portfolio that has outpaced the North American benchmarks since its inception in 1994. Mr. Narhi holds a Bachelor of Commerce degree from the University of British Columbia. He is a CFA charterholder and is a member of the CFA Institute.

*Donald Campbell, Director*

Mr. Campbell is a graduate of the University of Manitoba's Faculty of Law and has been practicing law in Winnipeg since 1990. From 2002 to 2003 he was the National Director of Compliance for IQON Financial Inc, a 400 advisor mutual fund dealer based in Winnipeg and was Legal Counsel - Compliance, with Assante Asset Management Ltd. from 2000 to 2002. Mr. Campbell is a founding member of the Compliance Officers' Forum of Manitoba. Mr. Campbell focuses his practice on advising clients in the advisory and mutual fund business.

## Terms of Management Agreement

Under the management agreement (the “Management Agreement”) between the Manager and the Funds, Pender is appointed as the Manager of the Funds. As Manager, Pender is responsible for directing the affairs and managing the business of the Funds, administering or arranging for the administration of the day-to-day operations of the Funds, including investment decisions, execution of investment orders, sales of units, maintaining records, fund reporting, voting of portfolio securities and custodial arrangements. The Management Agreement also sets forth the fees payable to the Manager as described in this annual information form.

The Manager's appointment continues indefinitely but may be terminated by us or the Funds upon giving 60 days' prior notice or such shorter notice as the Manager and the Funds may agree. The Management Agreement may also be terminated by the Funds or the Manager upon giving notice in writing to the other party if the other party ceases to carry on business, becomes bankrupt or insolvent, resolves to wind-up or liquidate or if a receiver of any of its assets is appointed or if the other party commits a material breach of the Management Agreement which is not remedied within 30 days of receipt of notice of such breach.

### Portfolio Management - PenderFund Capital Management Ltd.

The Manager is also the Portfolio Advisor of the Funds. The following table sets forth information in respect of the persons employed by the Manager who are principally responsible for day-to-day management of the Funds indicated above.

Name	Position	Length of Service	Business Experience
DAVID BARR, CFA North Vancouver, BC	President, Chief Executive Officer, Director	Since May 2003	Chief Investment Officer of the Manager from April 2009 to April 2016; Co-Chief Investment Officer of the Manager from April 2016 to April 2017; President and Chief Executive Officer of the Manager since April 2016; Chief Executive Officer of the Fund since November 2006; and Director of the Fund since June 2015.

Name	Position	Length of Service	Business Experience
FELIX NARHI, CFA North Vancouver, BC	Chief Investment Officer, Director	Since July 2013	Portfolio Manager of the Manager since August 2013; Co-Chief Investment Officer of the Manager from April 2016 to April 2017. Chief Investment Officer of the Manager since April 2017. Director of the Manager since October 2017.
GEOFF CASTLE North Vancouver, BC	Portfolio Manager	Since August 2015	Manager, Group Investments of Kestrel Holdings Ltd. from 2011 to 2014. Senior Credit Analyst of Powerex Corp. from 2009 to 2010. These individuals are tasked with responsibilities including making investment decisions, executing investment orders, assisting with sales efforts, record keeping in respect of portfolio transactions and voting of portfolio securities, in accordance with the investment objectives and strategies of each Fund.

### Independent Review Committee

The independent review committee is responsible for oversight of the Manager with respect to conflict of interest matters. See "*Fund Governance*".

### Brokerage Arrangements

The portfolio advisor of each Fund also makes decisions regarding the execution of portfolio transactions with respect to the cash and cash equivalent portions of the Funds, including, when applicable, the selection of markets, brokers and the negotiation of commissions. If and when effecting such portfolio transactions, the portfolio advisors place brokerage business with investment dealers and brokers on the basis of the best price and service. To the extent that the execution offered by more than one dealer or broker are comparable, the portfolio advisor may, in its discretion, determine to effect transactions with the dealers and brokers who provide research, statistical and other similar services to the Fund or to the portfolio advisor at transaction prices which reflect those services.

None of the Funds have agreements or arrangements in place with any dealer for the portfolio transactions regarding the Funds; however, the portfolio advisor for the Funds may, from time to time, receive research that it uses in connection with its management of the Funds. This research may or may not be used in connection with the management of the Funds, and is not a factor used in determining the dealers through whom it will place portfolio transactions for the Funds. The portfolio advisor for the Funds reviews each trade for the Funds to determine, among other things, whether the Funds received reasonable benefit considering the applicable research, if any is received, and the amount of brokerage commissions paid. The names of the dealer(s) that provided the Manager with the services described above in connection with the portfolio transactions for the Funds during the last financial year of the Funds will be provided on request by contacting the Manager at 1-866-377-4743 or at [info@penderfund.com](mailto:info@penderfund.com).

## Trustee

The trustee of the Funds is PenderFund Capital Management Ltd. (the “Trustee”). The Trustee is located at 1640 – 1066 West Hastings St. Vancouver, BC, V6E 3X1. The Funds are governed by a Tenth Amended and Restated Mutual Fund Trust Agreement dated May 22, 2018 which sets forth the terms governing the creation, operation, management and administration of the Funds, including the powers and duties of the Trustee, the attributes of the units of the Funds, procedures for purchase, exchange and redemption of units, recordkeeping, calculation of the Funds’ income and other administrative procedures. The Trustee may be removed by the Manager at any time by giving notice to the Trustee not less than 45 days prior to the date that such removal is to take effect. The Trustee may resign by giving notice to the Manager not less than 45 days prior to the date that such resignation is to take effect. The Manager must appoint a new trustee to take office when the removal or resignation becomes effective, failing which a Fund will terminate.

## Promoter

Pender is the Promoter of the Funds.

## Custodian

The custodian of the assets of the Funds is CIBC Mellon Trust Company of 320 Bay Street P.O. Box 1, Toronto, ON, M5H 4A6. The custodian shall not be responsible for holding or control of any assets of the Funds that are not directly held by the custodian or its appointed sub-custodians including any assets loaned or pledged to a counterparty.

## Registrar

The registrar of the Funds is CIBC Mellon Trust Company of 320 Bay Street P.O. Box 1, Toronto, ON, M5H 4A6. The registrar keeps a record of the owners of units of each Fund in Toronto, ON.

## Auditor

The auditor of the Funds is KPMG LLP of 777 Dunsmuir St., P.O. Box 10426 Vancouver, BC, V7Y 1K3. KPMG LLP is independent within the meaning of the Rules of Professional Conduct of the Institute of Chartered Professional Accountants of British Columbia.

Under applicable securities laws, the auditor of the Funds may be changed without the approval of Unitholders provided that the IRC of the Funds has approved the proposed change and we provide you with at least 60 days’ notice of the proposed change.

Note 1: Arbutus Family Holdings Ltd is 100% owned by Kelly Edmison.

Note 2: Garibaldi Ventures Partners Ltd is 100% owned by David Barr.

Note 3: 408198 BC Ltd is 100% owned by William Rand.

In addition to the above, as of June 8, 2018, the directors and officers of the Manager collectively held (a) less than 1% of the Funds' units; (b) 67% of the outstanding securities of the Manager; and (c) less than 1% of the voting or equity securities of any company that provides services to the Funds or the Manager.

As of June 8, 2018, the members of the IRC collectively held (a) less than 1% of the Funds' units; (b) no voting or equity securities of the Manager; and (c) less than 1% of the voting or equity securities of any company that provides services to the Funds or the Manager.

### Conflict of Interest between the Funds and the Manager

The Manager currently provides management services to other investment funds and the services of the Manager are not exclusive to the Funds. The Manager may provide similar services to other parties, including venture capital funds, mutual funds or investment funds (collectively an "Investment Fund") engaged in a similar business to that of the Funds.

The Manager has adopted the following policy with respect to the allocation of investments between Investment Funds that it manages. In the event that securities are purchased for the accounts of more than one Investment Fund and an insufficient number of securities are available to satisfy the purchase order, the securities available will be allocated to the extent possible pro rata to the size of the Investment Funds' accounts. There may be occasions, however, where strict application of this rule does not lead to a fair and

reasonable allocation. In such circumstances, allocation by a method other than this rule will be permitted where such allocation produces a fairer and more reasonable result.

Notwithstanding the above allocation policy, the Manager will not allocate an investment to an Investment Fund if: (a) the pro rata allocation gives an unreasonable result based on the Investment Fund's cash position, the desired weight of the security in the Investment Fund, the mandate of the Investment Fund, the effect on risk and liquidity, and the general composition of the respective Investment Fund; and (b) the allocation is unreasonable when measured against a particular Investment Fund's asset size and target weighting for the security in question.

As part of their respective investment strategies, the Funds may invest in units of mutual funds also managed by Pender.

The Funds are of the view that the other activities of Pender will not be considered to be a conflict of interest or breach of fiduciary duty with respect to the management of the Funds provided that Pender does not contravene the investment objectives or restrictions set out in the Trust Agreement and provided that the Funds' Portfolio Advisors fulfill their duties of care set out in their respective agreements. Matters giving rise to a conflict of interest involving the Funds and the Manager are the responsibility of the independent review committee. See "*Fund Governance*" section.

## **Fund Governance**

### **Codes of Ethics**

The Manager has responsibility for governance of the Fund. The Manager has adopted the personal trading code for mutual fund Managers prescribed by the Investment Fund Institute of Canada ("IFIC"), which governs internal conflicts of interest and business practices. The Manager has also adopted a Code of Ethics which is substantially the same as the CFA Institute Code of Ethics and Standards of Professional Conduct.

### **Risk Management**

Various measures to assess risk are used including mark-to-market security valuation, fair value accounting and monthly reconciliations of security and weekly reconciliations of cash positions. Compliance monitoring of the Funds' portfolio is ongoing. Each Fund is priced on a daily or weekly basis, as the case may be, which ensures that performance accurately reflects market movements.

### **Fund Governance over Portfolio Advisors**

The Portfolio Advisors provide investment analysis, make decisions relating to the investment of each Fund's assets and supervise the Fund's investment portfolios on a continuous basis. The Portfolio Advisors have complete discretion to purchase and sell securities for a Fund's portfolio within the Fund's investment objectives, policies and restrictions. The Portfolio Advisor has in place its own investment procedures and controls governing its investment activities including the use of derivatives and securities lending. Pender is currently the Portfolio Advisor of each Fund.

### **Derivatives Trading**

The Pender Corporate Bond Fund and Pender Value Fund may use derivatives as part of their respective investment strategies. The Pender Strategic Growth and Income Fund will not directly engage in derivatives; however, as part of its investment strategy, the fund will invest in units of mutual funds which may engage in derivatives as part of their strategies. All remaining Funds will not use derivatives as part of their investment strategies. Derivatives will be used in compliance with all applicable securities legislation and regulation and as disclosed in the Simplified Prospectus.

Oversight of derivatives trading is undertaken by the Manager. The written policies and procedures relating to the use of these derivatives are developed with the custodian of the Funds and are reviewed annually by the Manager.

Derivatives transactions on behalf of the Pender Corporate Bond Fund and Pender Value Fund may be initiated only by the Portfolio Advisor responsible for the funds' investments. The Portfolio Advisor ensures that the individuals who make decisions with respect to derivatives transactions have the necessary proficiency and experience to use derivatives. As in the case of other portfolio transactions, all derivatives transactions made on behalf of the funds must be recorded on a timely basis and promptly reflected in the funds' portfolio management records. Derivative positions are monitored to ensure compliance with all regulatory requirements, including cash cover requirements.

## **Securities Lending Transactions**

On June 9, 2017, the Manager entered into a securities lending agreement with CIBC Mellon Global Securities Services Company, CIBC Mellon Trust Company, Canadian Imperial Bank of Commerce and The Bank of New York Mellon in order to engage in securities lending transactions to earn additional income for the Funds. The Funds may enter into additional agreements in the future only as permitted under securities law.

The risks associated with these transactions will be managed by requiring that the Funds enter into such transactions with well-established Canadian and foreign brokers, dealers and institutions. Each day, the Funds will determine the market value of both the securities loaned under a securities lending transaction or sold under a repurchase transaction and the cash or collateral held for such transactions. If on any day the market value of the cash or collateral is less than 102% of the market value of the security loaned on the next day the counterparty will be required to provide additional cash or collateral to the Funds to make up the shortfall. The Fund cannot lend more than 50% of the total value of its assets through securities lending transactions.

Pender will review at least annually the policies and procedures described above to ensure that the risks associated with securities lending transactions are being properly managed.

## **Short Selling Risk Management**

The Pender Corporate Bond Fund, Pender Small Cap Opportunities Fund and Pender Value Fund may engage in short selling as part of their investment strategies. The Pender Strategic Growth and Income Fund will not directly engage in short selling; however, as part of its investment strategy, the fund invests in units of mutual funds which may engage in short selling as part of their strategies. All remaining Funds will not engage in short selling as part of their investment strategies. Short selling will be engaged in compliance with all applicable securities legislation and regulation and as disclosed in the Simplified Prospectus. Short selling will be used by the funds only as a complement to each fund's current primary discipline of buying securities with the expectation that they will appreciate in market value.

Short selling involves borrowing securities from a lender which are then sold in the open market (or "sold short"). At a later date, the same number of securities are repurchased by the funds and returned to the lender. In the interim, the proceeds from the first sale are deposited with the lender and the funds pay interest to the lender. If the value of the securities declines between the time that the funds borrow the securities and the time the funds repurchase and return the securities, the funds make a profit for the difference (less any interest the funds are required to pay to the lender). In this way, the funds have more opportunities for gains when markets are generally volatile or declining.

The Pender Corporate Bond Fund, Pender Small Cap Opportunities Fund and Pender Value Fund will engage in short selling only within certain controls and limitations. Securities will be sold short only for cash and the funds will receive the cash proceeds within normal trading settlement periods for the market in which the short sale is made. All short sales will be effected only through market facilities through which those securities are normally bought and sold.

The funds may short sell equity securities, index participation units, corporate debentures, corporate bonds, government bonds and other fixed and floating-rate income securities that are traded in a liquid market. If the security sold short is an equity security, the security must be listed for trading on a stock exchange and the issuer of the security has a market capitalization of not less than \$100 million at the time the short sale is made.

At the time securities of a particular issuer are sold short by a fund, the aggregate market value of all securities of that issuer sold short will not exceed 5% of the net assets of the fund. The aggregate market value of all securities sold short by a fund may not exceed 20% of the fund's net assets.

The funds may deposit assets with lenders in accordance with industry practice in relation to its obligations arising under short sale transactions. The funds will also hold cash cover (as defined in NI 81-102) in an amount, including the funds' assets deposited with lenders, that is at least 150% of the aggregate market value of all securities it sold short on a daily marked-to-market basis. No proceeds from short sales will be used by the funds to purchase long positions other than cash cover.

Where a short sale is effected in Canada, every dealer that holds the funds' assets as security in connection with a short sale must be a registered dealer and a member of a self-regulatory organization that is a participating member of the Canadian Investor Protection Fund. Where a short sale is effected outside of Canada, every dealer that holds the funds' assets as security in connection with a short sale must be a member of a stock exchange (and, as a result, be subject to regulatory audits) and have a net worth in excess of the equivalent of \$50 million determined from its most recent audited financial statements. The aggregate assets deposited by the funds with any single dealer as security in connection with short sales will not exceed 10% of each fund's total net assets, taken at market value as at the time of the deposit.

The Portfolio Advisor of each fund must maintain appropriate internal controls regarding its short sales, including written policies and procedures, risk management controls and proper books and records. Any short sale by the funds is subject to compliance with the investment objectives of each fund. The Portfolio Advisor will review open short positions not less than once every week. The Board of Directors of the Manager is responsible for setting and reviewing such policies and procedures annually. The Trustee has delegated responsibility for setting and reviewing such procedures to the Manager and is not involved in the risk management process.

## **Proxy Voting Disclosure**

The Manager has established Proxy Voting Policy and Guidelines (the "Guidelines") that have been designed to provide general guidance, in compliance with the applicable legislation, for the voting of proxies and for the creation of the portfolio advisor's own Proxy Voting Policies for each Fund. The Guidelines set out the voting procedures to be followed in voting routine and non-routine matters, together with general guidelines suggesting a process to be followed in determining how and whether to vote proxies. Although the Guidelines allow for the creation of a standing policy for voting on certain routine matters, each routine and non-routine matter must be assessed on a case-by-case basis to determine whether the applicable standing policy or general Guidelines should be followed. The Guidelines also address situations in which the portfolio advisor may not be able to vote, or where the costs of voting outweigh the benefits.

Pender is required to develop its own respective voting guidelines and keep adequate records of all matters voted or not voted. A copy of the Guidelines is available upon request, at no cost, by calling the Manager toll-free at **1-866-377-4743** or by writing to Pender at 1640 – 1066 West Hastings St. Vancouver, BC V6E 3X1.

## **Proxy Voting Record**

Each Fund will prepare a proxy voting record on an annual basis for the period ending on June 30<sup>th</sup> of each year which will be available free of charge to any Unitholder upon request at any time after August 31<sup>st</sup> of that year. The proxy voting record will be available on **www.penderfund.com** no later than August 31<sup>st</sup> of each year.

## **Short-Term Trades**

The interests of Unitholders and the Funds' ability to manage its investments may be adversely affected by inappropriate or excessive short-term trading because, among other things, these types of trading activities can dilute the value of Fund securities, can interfere with the efficient management of the Funds' portfolios and can result in increased brokerage and administrative costs. The Funds have no written policies or procedures for monitoring, detection or deterrence of short term trades of mutual fund securities by investors, except in relation to requests for redemption.

If you redeem units of a Fund within 30 days of buying them, we may, at the discretion of the Manager, reduce the amount otherwise payable to you on redemption by imposing a short-term trading fee of up to 2% of the net asset value of the units redeemed. The fee will be retained by the Fund.

## **Independent Review Committee**

In accordance with *National Instrument 81-107 Independent Review Committee for Investment Funds* ("NI 81-107"), the Manager, on behalf of the Funds, has established an independent review committee (IRC) to provide impartial judgment on conflicts of interest between the Manager and the Funds. The IRC is responsible for overseeing the Manager's decisions in any situation where it is faced with any actual or perceived conflict of interest, including "business" or "operational" conflicts.

The IRC will prepare, at least annually, a report of its activities for unitholders which will be available on our website at [www.penderfund.com](http://www.penderfund.com) or, at your request, and at no cost to you, by calling toll-free at 1-866-377-4743. Currently, the IRC is comprised of Kerry Ho (Chair), John Webster, and Robin Mahood. Each member of the IRC receives an annual retainer plus a fixed fee and expenses for each meeting of the IRC that the member attends. For the year ended December 31, 2017, the Chair of the IRC was paid a total of \$10,750. In addition, Mr. Webster and Mr. Mahood were paid \$6,500 and \$5,500, respectively. Mr. Belsher, the previous chair of the IRC was paid \$2,750.

The Manager has established written policies and procedures for the Manager to follow in making decisions involving an actual or perceived conflict of interest and will refer such matters to the IRC for review in accordance with NI 81-107.

## Fees and Expenses

### Management Fees

The management fees paid by the Funds to the Manager vary by class. The management fees are calculated daily or weekly, as the case may be, and payable monthly in the following table (exclusive of GST/HST). Management fees for Class N and Class O units are negotiated between the Unitholder and the Manager and paid outside of the Funds.

Fund	Class A / Class A (US\$) / Class B	Class D	Class F / Class F (US\$) / Class G	Class H/Class N	Class I

### Operating Expenses

Each Fund will be charged an administration fee equal to 0.50% of its net asset value. In exchange for the fee, the Manager will pay for the operating costs of each Fund (including administrative and operating expenses, registrar and transfer agency fees, custody fees, unitholder servicing costs, costs of prospectus and reports, regulatory fees and audit and legal fees) other than taxes, brokerage commissions, transaction costs and IRC fees.

The Manager will reimburse each Fund for the IRC fees. The Chair of the IRC receives an annual retainer of \$5,000 and a fee of \$750 for each meeting the Chair attends. With the exception of the Chair, each member of the IRC receives an annual retainer of \$4,000 and a fee of \$500 for each meeting that the member attends. The IRC is also reimbursed for certain out-of-pocket costs associated with the performance of their duties. The Manager, at its discretion, may reduce or waive administration fees.

### Performance Fees

A performance fee applies to Class B and Class G of the Pender Small Cap Opportunities Fund. The Pender Small Cap Opportunities Fund will pay to the Manager a performance fee in relation to Class B and Class G Units that is equal to 20% of the amount by which the return of the class of Units exceeds the total percentage return of the Fund's benchmark, for the period since the performance fee was last paid, subject to a high-water mark. The Fund's benchmark is the S&P/TSX Composite Index (or its successor indices, as applicable).

The benchmark was selected because we believe that it best reflects the investment objective of the Pender Small Cap Opportunities Fund and provide for the fairest measurement possible. Performance fees will be calculated and accrued weekly, and such accrued fees will be paid by the Fund at the end of each year. The Manager has reserved the right to change the period for which any performance fee may be paid by a Fund. Performance fees are subject to applicable taxes; including GST or HST. The Manager, at its discretion, may reduce or waive performance fees.

## **Fee Distributions**

From time to time the Manager may offer a reduced management or performance fee to select investors. The Manager negotiates a separate agreement with each investor which discloses the basis (such as size of holdings or competitive rates charged in the industry) on which the fee reduction is calculated. The fee for these selected investors is the same as other Unitholders in the same class, but these selected investors receive a distribution (a "Fee Distribution") equal to the amount of the fee reduction. Fee Distributions are reinvested in additional units on behalf of these selected unitholders unless otherwise negotiated.

## Income Tax Considerations for Investors

**This section provides a general summary of the federal income tax considerations applicable to the Funds and to an investor who is an individual (other than a trust), is resident in Canada, deals at arm's length with the Funds, and holds units as capital property. This summary is not exhaustive of all tax considerations and is not intended to be legal advice or tax advice. We have tried to make this discussion easy to understand. As a result, we cannot be technically precise, or cover all the tax consequences that may apply. You should consult your own tax advisor about your personal circumstances when you consider purchasing, switching or redeeming securities of a Fund.**

The summary is based on the current provisions of the *Income Tax Act* (Canada) ("Tax Act"), regulations under the Tax Act, the proposals for specific amendments to the Tax Act, the regulations that have been publicly announced by the Minister of Finance (Canada) before the date hereof and our understanding of the current published administrative practices and assessing policies of the Canada Revenue Agency (CRA). Except for the foregoing, this summary does not take into account or anticipate any change in law, whether by legislative, regulatory, administrative or judicial action. Furthermore, this summary does not take into account provincial, territorial, or foreign income tax legislation or considerations.

This summary assumes that you are an individual resident in Canada and that you hold units of a Fund as capital property for the purposes of the Tax Act. This summary also assumes that each of the Funds is, and will continue to be, at all material times, a mutual fund trust or a registered investment for the purposes of the Tax Act. This summary also assumes that none of the Funds is or will become a specified investment flow-through trust ("SIFT trust"). Investors should seek independent advice regarding the tax consequences of investing in units, based on the investors' own particular circumstances.

### Taxation of the Funds

Each of the Funds is qualified as a "mutual fund trust" or a "registered investment" under the Tax Act and intends to maintain such status. None of the Funds is a SIFT trust for purposes of the Tax Act. This summary is based on the assumption that each of the Funds will qualify as a mutual fund trust under the Tax Act at all material times. If a Fund were not to so qualify, the income tax consequences would differ materially from those described below.

For any Funds that cease to be a mutual fund trust for purposes of the Tax Act, the Fund may be subject to different tax consequences than described below including being subject to Part XII.2 tax, alternative minimum tax and penalty tax if it holds any investments that are not qualified investments for Registered Retirement Savings Plans (RRSP), Registered Retirement Income Funds (RRIF), Deferred Profit Sharing Plans (DPSP), Registered Disability Savings Plans (RDSP), Registered Education Saving Plans (RESP) and Tax Free Savings Accounts (TFSA) ("Registered Plans"). Investors should seek independent advice regarding the tax consequences of investing in units, based on the investors' own particular circumstances.

All of a Fund's deductible expenses, including expenses common to all classes of a Fund and management fees and other expenses specific to a particular class of a Fund, will be taken into account in determining the income or loss of a Fund as a whole.

### For Units Not Held in a Registered Plan

If you hold units of a Fund outside of a Registered Plan, you will be required to include in computing your income for tax purposes the amount (computed in Canadian dollars) of the Fund's net income and the taxable portion of the net capital gains paid or payable to you by the Fund in the year (including by way of Fee Distributions), whether you receive these distributions in cash or they are reinvested in additional units. Provided the appropriate designations are made by the Fund, distributions of net taxable capital gains and taxable dividends (including eligible dividends) on shares of taxable Canadian corporations held by the Fund will effectively retain their character and be treated as such in your hands. Taxable dividends received from Canadian corporations are subject to a gross-up and credit regime the effect of which is to make them subject

to lower tax rates than ordinary income. Taxable dividends that are eligible dividends are subject to an enhanced regime and thus lower tax rates. Generally, gains from cash settled derivative transactions entered into for non-hedging purposes will be treated as ordinary income rather than capital gains.

To the extent that the distributions (including by way of Fee Distributions) paid to you by a Fund in any year exceed your share of the net income and net realized capital gains of the Fund allocated to you for that year, those distributions (except to the extent that they are proceeds of disposition) will be a return of capital and will not be taxable to you but will reduce the adjusted cost base of your units of the Fund.

You will be taxed on distributions of income and capital gains from a Fund, even if the income and capital gains accrued to the Fund or were realized by the Fund before you acquired the units and were reflected in the purchase price of the units. In many cases, the most significant distributions of income and capital gains of a Fund occur in December. However, distributions (including Fee Distributions) can be made at any time in the year at the discretion of the Manager.

Certain of the Funds may invest in debt or shares of foreign corporations. Interest income and dividends paid to a Fund by a foreign corporation may be subject to a withholding tax payable to a foreign government. To the extent that the Fund so designates in accordance with the Tax Act, you will be deemed to have received income from the foreign country and, for the purpose of computing foreign tax credits, be deemed to have paid a portion of the taxes withheld as foreign taxes paid to that country. You will be required to include in your income the foreign source income gross of withholding taxes. Foreign source income is taxed as regular income for the purposes of the Tax Act. The Canadian tax payable by you on such foreign source income may be reduced by a foreign credit in respect of the foreign taxes deemed paid on that income. Capital gains on the sale of foreign securities will generally not be subject to withholding taxes.

As part of their investment strategy, certain of the Funds may invest in US corporate bonds. Under the US – Canada tax treaty, interest paid on such bonds will not be subject to withholding taxes. Capital gains from the sale of US securities will also generally not be subject to withholding taxes while US earned dividends are subject to a 15% withholding tax.

The Funds may invest in units of mutual funds, income trusts and other trusts. Net income and taxable capital gains that are allocated to the Funds by these investments will be included in computing the net income and taxable capital gains of the Funds, which in turn will be allocated to unitholders in the manner set out above.

If a Fund is subject to a “loss restriction event” as the result of a person becoming a “majority-interest beneficiary” or a group of persons becoming a “majority interest group of beneficiaries” of the Fund (as those terms are defined in the Tax Act) it will have a deemed year-end for tax purposes and may make a distribution of net taxable income and net capital gains for the shortened year. If it has net accrued or realized losses at that time, certain of its accrued and realized losses may be extinguished, which could have a negative impact on the value of units of the Fund at that time.

If you dispose of a unit (including a switch of a unit of one Fund for a unit of another Fund), whether by redemption or otherwise, a capital gain (or a capital loss) will be realized to the extent that the proceeds of disposition, less any costs of disposition, are greater (or less) than the adjusted cost base to you of the unit. One-half of a capital gain (or a capital loss) is generally included in determining your taxable capital gain (or allowable capital loss). A change of units of a class of a Fund into units of a different class of the Fund is generally not considered to be a sale for tax purposes, so no capital gain or loss will result. To the extent a change in units results in a disposition of the original units then either a capital gain or a capital loss will be realized or suffered.

In general, the aggregate adjusted cost base of your units of a particular class of a Fund equals:

- your initial investment in the class (including any sales charges paid)
- **plus** the cost of any additional investments in the class (including any sales charges paid)

- **plus** the adjusted cost base of any units of other classes of the Fund that were changed into units of the particular class of the Fund
- **plus** reinvested distributions
- **minus** the capital returned in any distributions
- **minus** the adjusted cost base to you, at the time of any previous redemptions, of the units redeemed at that time
- **minus** the adjusted cost base to you, at the time any units of the particular class of the Fund were changed into units of other classes of the Fund, of the units so converted.

The adjusted cost base to you of a unit at a particular time will generally be the average adjusted cost base to you of all units of that class of that Fund at that time. If the adjusted cost base of your units is reduced to less than zero, you will be deemed to have realized a capital gain equal to, and the adjusted cost base to you of your units will be increased by, such negative amount.

For units of the Pender Corporate Bond Fund and the Pender US All Cap Equity Fund that are denominated in US dollars, the initial investment and the cost of any additional investments should be determined in Canadian dollars, based on the applicable exchange rate at the time the investment was made. Similarly, the proceeds of disposition of a unit of the Pender Corporate Bond Fund or Pender US All Cap Equity Fund that is denominated in US dollars should be determined in Canadian dollars based on the applicable exchange rate at the time of the disposition.

Under the alternative minimum tax provisions of the Tax Act, an individual may be required to pay a minimum tax computed by reference to the individual's "adjusted taxable income" for that year. In computing adjusted taxable income, an individual must generally include all taxable dividends (without application of the gross-up and credit treatment normally applied to such dividends) and 80% of capital gains. Whether and to what extent the tax liability of a Unitholder may be increased by the alternative minimum tax will depend on the amount of the Unitholder's income, the sources from which it is derived, and the nature and amount of any deductions claimed. Any additional tax payable by a Unitholder for a year which results from the application of the minimum tax provisions may generally be carried forward and applied by the Unitholder against his or her Part I tax otherwise payable in any of the seven immediately following taxation years.

We will generally issue a tax statement to you each year identifying the distributions made to you in the previous year. You should keep detailed records of the purchase costs, sales charges and distributions related to your units as this is the only way to accurately calculate the adjusted cost base of those units. Determination of adjusted cost base can involve complex issues and we recommend that you obtain legal and/or tax advice to assist you with those calculations.

### **For Units Held in a Registered Plan**

Each of the Funds qualifies as a "mutual fund trust" or a "registered investment" for purposes of the Tax Act and intends to remain so qualified. Accordingly, units of the Funds are qualified investments under the Tax Act for Registered Plans. If units of a Fund are held in a Registered Plan, distributions from the Fund and capital gains from a disposition of the units will generally not be subject to tax under the Tax Act until withdrawals are made from the plan. Withdrawals from TFSA are generally not subject to tax.

Notwithstanding that units of the Funds may, at a particular time, be qualified investments for a trust governed by a RDSP, RESP, RRSP, RRIF or TFSA, the holder of the TFSA or the annuitant of the RDSP, RESP, RRSP or RRIF, as the case may be (such holder or annuitant being a "Controlling Individual" of the RDSP, RESP, TFSA, RRSP or RRIF), will be subject to a penalty tax with respect to units held in the RDSP, RESP, TFSA, RRSP or RRIF if such units are "prohibited investments" for the RDSP, RESP, TFSA, RRSP or RRIF within the meaning of the Tax Act. Provided that the Controlling Individual of a RDSP, RESP, TFSA, RRSP or RRIF does

not hold a “significant interest” (as defined in the Tax Act) in a Fund and provided that such holder deals at arm’s length with the Fund for the purposes of the Tax Act, units of the Fund will not be “prohibited investments” for the RDSP, RESP, TFSA, RRSP or RRIF. In general terms, a Controlling Individual of a RDSP, RESP, TFSA, RRSP or RRIF will have a significant interest in a Fund if the Controlling Individual, together with any other persons and partnerships with which the Controlling Individual does not deal at arm’s length, hold, directly or indirectly through one or more trusts (including Registered Plans), 10% or more of the value of the outstanding units of the Fund. You should consult with your own tax advisor as to whether units of the Fund would be a prohibited investment if held in your RDSP, RESP, TFSA, RRSP or RRIF, having regard to your own particular circumstances

## Information Exchange

Pursuant to the Intergovernmental Agreement for the Enhanced Exchange of Tax Information under the Canada-U.S. Tax Convention entered into between Canada and the United States (the “IGA”), and related Canadian legislation, the Funds and the Manager are required to report certain information with respect to unitholders who are U.S. residents and U.S. citizens (including U.S. citizens who are residents or citizens of Canada), and certain other “U.S. Persons” as defined under the IGA (excluding registered plans such as RRSPs), to the CRA. The CRA will then exchange the information with the U.S. Internal Revenue Service pursuant to the provisions of the Canada-U.S. Income Tax Treaty.

Pursuant to the implementation of the Common Reporting Standard developed by the Organisation for Economic Co-operation and Development which commenced on July 1, 2017, the Funds and the Manager may be required to report certain information with respect to unitholders who are resident in one of the participating approximately 90 jurisdictions to the CRA. The CRA will then exchange this information with each participating jurisdiction pursuant to the provisions under Part XIX of the Tax Act.
