PORTFOLIO MANAGER(S)

PenderFund Capital Management Ltd.

Lead Manager:

Felix Narhi, CFA, Chief Investment Officer & Portfolio Manager

The Pender US All Cap Equity Fund is a high conviction portfolio of undervalued US equities. The manager focuses on long-term capital appreciation from a core of "compounders", as well as shorter term "close the discount" stocks that are more opportunistic in nature. He builds the portfolio through deep fundamental analysis of the underlying businesses. Businesses with attractive economic characteristics are purchased at a discount to our estimate of intrinsic value to build out this concentrated portfolio.

PORTFOLIO MANAGER(S)

FELIX NARHI, CFA
Mr. Narhi is Chief Investment Officer and a Portfolio Manager at Pender, and has been investing since 1999. He advocates a business-like approach to investing. Sound investing is the process of determining the value underlying a security and then buying it at a considerable discount to that value. The challenge is to only buy when prices are attractive and to sell when they are dear, while avoiding the short-term "noise" that consumes many market participants. Prior to joining Pender in July 2013, Mr. Narhi spent over nine years at an independent and value-oriented investment firm in Vancouver. He holds a Bachelor of Commerce degree from the University of British Columbia. He earned his CFA designation in 2003 and is a member of CFA Society Vancouver.
